

Screw + Something extra

Without regard to screws, it will be functional part.

Special assembly parts

I. Heat-insulating screws

【Protect from heat】

【Outline】

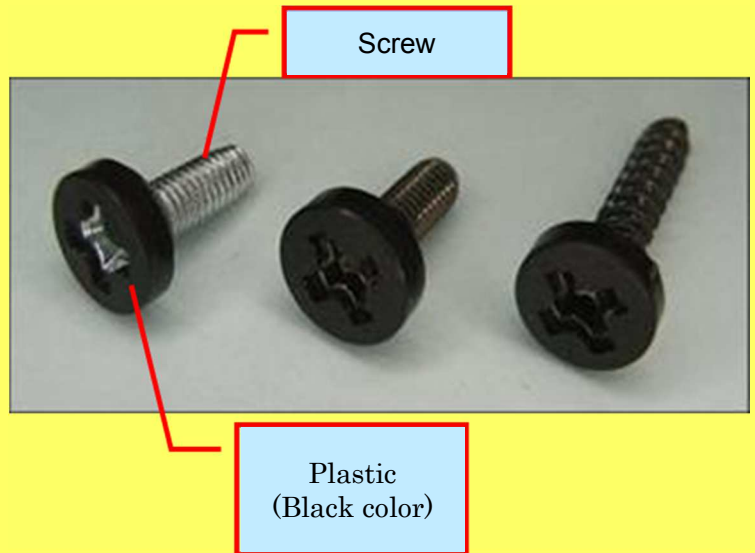

Recently, home electrical appliance is becoming more thin and lightweight. Thereby the screw's head come into appearance, so we have covered it by plastic to protect consumers safety.

【Features】

Function parts (Screw + Plastic)

1. Suitable screws for auto-assembly.
2. Beautiful appearance
3. Flexible colors

Assembly parts example

II. Waterproof screws

【Protect from water】

【Outline】

Mobile phones are making progress day by day, and many are waterproof now. The screws are also needed to be waterproof by itself.

【Features】

Function parts (Screw + O-Ring)

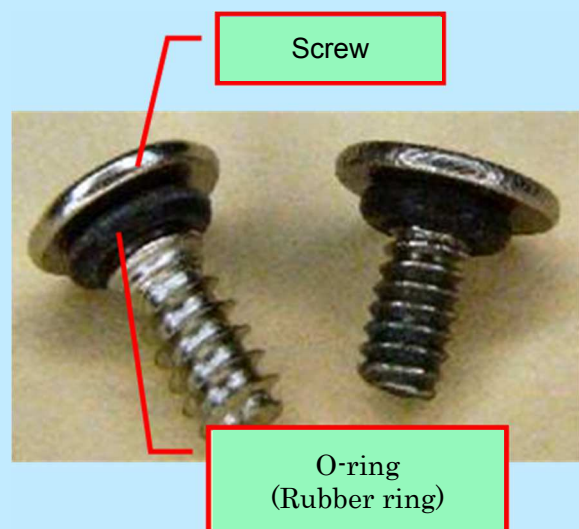

1. The groove for O-ring to set and prevent falling is manufactured by thread rolling process.

The price can reduce against other processing.

2. O-ring is already set to the screw.

You can reduce burdensome work at fastening process.
